

The Lyme Nursery

Invest ... in the best!

23 sleeps until the big day — not that we're counting and not that we're all getting rather excited! The children are already taking part in Christmas activities — new wall displays, cards, collages there's literally glitter all over the place. On Thursday, our Toddlers were painting and decided to paint a red dot on each of the children's noses so they all looked like Rudolph the Red Nose Reindeer! Toddlers baked sour dough, star shaped Christmas Tree decorations to take home; so let's find out what our Babies and Pre-schoolers have got planned as well. Have a great weekend. Mandi 2/12/22.

Who's who here at Nursery - Nicola, Deputy Manager

Nicola started at the Nursery in 2010 after thoroughly enjoying her work experience placement in 2007. Nicola completed her BTEC National Diploma in 2010 and has worked here in various roles since then; from being a student experiencing all age groups, being Team Leader of the Toddler and Junior groups, becoming Senior Supervisor getting involved in more managerial tasks to finally working her way up to be the Nursery Deputy Manager. The experience in all these areas means that Nicola adapts well to any role and is often found in the rooms, doing activities she loves such as singing, reading and planning all things creative. After having her own little boy in 2021, Nicola is now even more passionate in childcare and thoroughly enjoys getting involved with all the families too.

We've received some information from Staffordshire County Council with regard to **FREE** Community Learning Funded course for Staffordshire Families starting in January. If you are interested in registering please see the attached document for details.

December Diary Dates:- On Wednesday 14th December Hannah & Emma will be cooking our annual Christmas lunch for Wednesday children. Turkey, stuffing, roasties, pigs in blanket .. the whole shabam! (Dietary requirements and allergies will be catered for.) Then, on Wednesday 21st December we'll be holding our Christmas party day with the arrival of Santa. Unfortunately due to ratios we are only able to cater for Wednesday children, however, we will have a fun-week for the whole of w/c 19th December where the children can wear their Christmas outfits and be involved in lots of activities. We'll have our Christmas post box in the hallway if you want to send in any Christmas cards—the children love to play Postman 'Santa' Pat!
