

The Lyme Nursery

Complete Nursery Day Care
and
Early Years Learning

Dear Parents/Carers,

Finally it looks like we're leaving the colder weather behind us. It could do with being a little warmer on some days, but all in all I think summer's on its way. Please don't forget to send in sun-hats and sun-cream labelled with your child's name so we can ensure nothing goes missing. We're looking forward to our Open Morning this weekend (10am—12noon). It's our first one this year, but second one so far which was a huge success. Thank you to all of you who recommend our Nursery to friends, family and colleagues we really do appreciate it. The Nursery was recommended to me when I was looking for nurseries 11 years ago for my daughter. It was a stroke of luck as I started to work here 6 months later and have never looked back! Mandi

STAFFING UPDATE:

On Friday 9th June we will be saying fare-well to our lovely Mary Poppins - Maria who has been at the Nursery for 7 years. Initially starting as a modern apprentice to becoming a fully qualified Early Years Practitioner. Maria is re-locating to London with her partner next month. We have all said we can definitely see Maria fitting in so well down there although we know that we (the Nursery), parents and children will all miss her dearly, but wish her all the best at the same time. We will provide further details of Maria's replacement in due course.

We are also delighted to inform you that the lovely Samera will be returning to Nursery next week after a short spell at another setting. For those of you who know Samera I'm sure you will join us in celebrating her return. We've missed you Samera!

Who's who here at Nursery - Becky Nursery Cook

Becky took over from Hannah in February of this year. Becky a fully qualified cook worked in a Primary school kitchen for 8 years before a brief stint in a care home and then of course joining our team. Becky thoroughly enjoys cooking our nutritious menu as well as popping her head in the classrooms to see the children tucking in to her delicious dishes. Every day the staff return the (almost) empty trays of food back to the kitchen after lunch and always thank Becky and Emma for their hard work. In between all the cooking Becky has the huge task of putting together the Nursery shopping list making sure there's enough of everything for breakfast, lunch and afternoon snack. We're sure her weekly shopping list for herself, her husband and two children is a doddle compared to Nursery! Becky you're a super-woman!

IT'S BUTTERFLY TIME!:-

We've ordered our caterpillars! Every year the children learn about the life-cycle of a butterfly. Watching the caterpillars turn into butterflies is an amazing experience. The children eventually get to feed the butterflies before letting them go!

DIARY DATES:

May 20 th—Open Morning (10am-12noon)
May 29th - Bank Holiday (closed)

PETER PAN SUMMER FAIR 17th JUNE:

Please find attached a poster for the Summer Fair at the Peter Pan Centre - open to all!
