

# The Lyme Nursery

*Invest ... in the best!*

Dear Parents / Guardians;

I celebrate 25 years of owning the Lyme Nursery next month and wish to update customers with current information whilst Mandi is on Summer vacation.

I should like to thank all customers for their continued support and wish all of our school starters best of luck in their new adventures. In the meantime enjoy the remainder of the Summer.

Best wishes, Richard

We say goodbye to Janet (SEN support) this month along with Alicia (Modern Apprentice) who has decided to change her career plans and are pleased to see Sasha return to help with this cover. We have also welcomed Nicola (Deputy Manager) back from maternity leave as Jade starts hers. Tori has returned from maternity leave to complete her apprenticeship placement.

The Summer season sees the routine exodus of older children leaving to start school which in return, creates considerable placement spaces available. This in turn seriously affects the Nursery's financial position and any extra day placement requirements and recommendations for new customers will be very much appreciated. I am determined to avoid any revision to customer fees, mindful of everyone's forthcoming cost of living increases.

We are introducing a 10% NHS discount for new customers from September 2022 and also wish to offer a gratuity to all existing customers in return for secured new business upon receipt of first new payments; terms and conditions explained upon request. In the meantime enjoy the remainder of the Summer.

## DIARY DATES:

Nursery closed  
on Bank Holiday  
Monday 29.08.22

## NEW OFFERS:

- 10% NHS discount
- Sale promotion - £50 gratuity for booked recommendations following first payment
