

Location and General Description

The Lyme Nursery is situated in Lancaster Road, on the southeast side of Newcastle-under-Lyme, which is close to the town centre. The premises are a classic, fine and spacious example of late Victorian architecture and enjoy open views to the front of the building across Newcastle-under-Lyme School playing fields, whilst having the benefit of a large enclosed garden area to the rear which provides a secure play area and outlet for children's creative recreation.

The Nursery rooms provide a light, roomy environment with space for large internal activity, learning and play with excellent display provision and appropriately equipped for nursery children.

A friendly, family atmosphere exists at the Lyme Nursery which has been established since 1934 as an educational institution and children benefit from receiving care from a long-serving, cohesive staff spanning a well balanced six decades in age and experience.

The Lyme Nursery is registered in accordance with Ofsted on non-domestic premises on the Early Years Register Unique Reference Number EY474854.

The premises are the private property of the proprietor. R.A.V.
