

The Lyme Nursery

Invest ... in the best!

How's everyone coping with these cold dark mornings? It's certainly hard to adjust to since the clocks went back last month. Poor little ones (and big ones) find it harder to get up when it still looks like night-time. On the flip side, maybe they go to sleep better in the evening because it's so dark and the sun isn't shining into their bedrooms. This time of year there's nothing better than cozying up in the evening with a hot chocolate. I'm sure we'll be getting some in for nursery over the next few weeks—maybe even some marshmallows to go on the top or at the side! Have a lovely weekend, Mandi 18/11/22

Who's who here at Nursery: Sabrina, Nursery Manager/Person in Charge

Sabrina has worked at The Lyme Nursery since 2000. With two children of her own Sabrina not only has an abundance of academic knowledge and qualifications DNN (NNEB), NVQ4 in Leadership & Management and a Foundation Degree in Early Childhood Studies but first-hand experience of babies and young children. Sabrina is a very calming character around the Nursery and always brings out the best in children and staff. She has attended numerous training courses on EYFS (Early Years Foundation Stage) and is the Nursery's Safeguarding lead. Sabrina constantly thinks of new fun ideas and initiatives to encourage child development.

Want to learn a few more Nursery Rhymes to sing a long to with your child? Click on the link below. This website is a really useful tool for parents with young children.

The nasal spray flu vaccine is free on the NHS for children aged 2 or 3 years on 31st August 2022 (born between 1st September 2018 and 31st August 2020). For more info click here: [Child flu vaccine - NHS \(www.nhs.uk\)](http://www.nhs.uk)

Don't forget we close for Christmas at 6pm on Thursday 22nd December and re-open at 7am on Tuesday 3rd January 2023.

If you haven't already done so, don't forget to bring in a pair of named slippers for Nursery. Also now that it's getting colder please ensure your child has appropriate clothing such as gloves, hat, scarf, wellies, winter coat—so that we can still go out into our fabulous gardens to play and get some fresh air.
