

# The Lyme Nursery

Complete Nursery Day Care  
and  
Early Years Learning

Dear Parents, dare I say it? Have we all just blinked since Christmas and now it's May! At least there is a positive - Summer is on it's way. Although it's great to be out in the Autumn/Winter months in our wellies exploring, jumping in puddles and making snowmen, there is no denying that we are all looking forward to the sun, the walks, the picnics, ice-cream and the hopefully warmer weather! The children have been spending more time in the activity garden (maze, sand pits, mud kitchen, fun houses and lots of new bikes, trikes and more)! In the attached all lawned area we've purchased football nets so that not only can everyone run around, playing games, hoola hooping, they can score a few goals in the nets at the same time! Mandi

## General Nursery Notices :-

- > Reminder that it's 3 months notice period for children who are leaving after the age of 3 years old. 1 months notice for the under 3's.
- > The next room moves will happen w/c 11th May 2026. All parents have been contacted.
- > Please provide labelled hats and suncream during the hot spring and summer periods.

## Nursery Kitchen Updates :-

Alex, our fantastic Nursery Cook, supported by the wonderful Tracy, has been working on an amazing new menu for Spring and Summer. The children have been enjoying lots of new healthy and tasty flavours. Please check out the app or look at the menu in the hallway to see the new menu. Sorry ... no bookings for parents :-)

## General Room Activity Information:-

Tiddlers have enjoyed free flow painting looking at a variety of colours whilst trying to identify them all. They definitely love being outside, enjoying the space in the new larger garden area as well as running around the maze, playing with the toys, hiding in the houses and making the most of all the new toys!

Toddlers love circle time in the morning, singing the 'hello' song to their friends, clapping whilst doing days of the week, months of the year and flash cards. They've also been getting super messy by creating patterns with flour in the tuff spot and with the over-flow flour on the floor!

Juniors have taken part in a frozen dinosaur rescue tuff spot tray activity promoting fine motor skills and using their imagination. They used the wooden hammers to free themselves whilst singing 'Let it Go'!

Seniors have enjoyed adult led colour games, matching and recognising colours and objects developing a variety of skills including maths, communication and knowledge of colours.

## Funding:-

Please submit your funding Parent Declaration forms to Louise ASAP for the next term (September to December). Additional Nursery day requests also need to be sent to Mandi.

## Nursery Diary Dates:-

Wed May 6th: 8.30-11.30am Paolo Lorasos Photos  
Wed May 6th: 7.00-9.00pm Parents Evening  
W/c 11th May: Bake-a-Thon sale (Charity TBC)  
Mon May 25th: Bank Holiday Nursery closed

## Porch Area Parent Information :-

Keep a look out for all new material which has been displayed in this area. Activities to do at home, health & safety and info on the new Pantasaurus relating to raising awareness to safeguarding. For parents of the older children, ask them about it!

Caterpillars:- **Have arrived!!!!**
