

# The Lyme Nursery

Complete Nursery Day Care  
and  
Early Years Learning

Dear Parents/Carers,

It's been a mixture of emotions here at Nursery this week. Next week we have some children moving up to the next group - Babies to Tiddlers, Tiddlers to Toddlers and Toddlers to Juniors. Although it's exciting for the children, a new adventure, the staff really do miss the ones who transition (although being such a tight-knit little family we make sure that we see and make a fuss of every child every day)! We have also started the process of the children who graduate and leave to go to school. Tissues at the ready over the next few months! We will also be welcoming new children and babies from July onwards, taster sessions as always will take place. We look forward to seeing our new family members. Have a great weekend. Mandi

## STAFF UPDATE:-

It won't be long now until we say farewell to our lovely Vera. Vera joined the team as Nursery Secretary in June 2006. After taking additional qualifications in payroll and business management she also became our Finance Manager. Vera originally from Croatia, is a mum to a beautiful little girl Iris, now 10 years old. Vera's plans when she leaves the nursery are to drive through Europe. She is so excited to visit so many countries and see the beautiful attractions that Europe has to offer. We will miss Vera so much, the nursery won't be the same without her, but we wish her the best in her new adventure. Ciao bella xxx

## BUTTERFLY UPDATE!

We've let them go! The children have thoroughly enjoyed learning about the life-cycle of butterflies. Feeding them with fruit and sugar water gave them enough strength for the big wide world.

## DIARY DATES:

- > Wed 26th July - Nursery Sports Day (for Wed children only).
- > Mon 28th Aug - Bank holiday Nursery closed.

## WHAT HAVE THE GROUPS BEEN UP TO?

Our Baby group have recently swapped rooms, moving the main area into the conservatory allowing easy access to outside, whether it be in the courtyard or the lawned area. Lots of fresh air, water play and fun is being had by all! Tiddlers are creating a new Summer wall display. Their plans next week are to create a sand/glue/foot-print/painted picture!!! We'll post this on Facebook! Our Toddlers have made a new registration wall. They all sit down in the morning and check out who's in. The children all recognise their name by their own individual picture. Juniors have created a new area called 'Funky Fingers'. They have free access all day, every day to paint / crayons / pencils so that any time during the day they decide to create a piece of artwork they can! Pre-school are getting ready for their transition to big school. We've got donated uniforms that they can dress up in and have been learning about the green cross code. All of the groups continue to learn Makaton language ... ask your child how to say 'yes', 'no' and 'thank you'!

*Invest ... in the best!*
