

# The Lyme Nursery

Complete Nursery Day Care  
and  
Early Years Learning

Dear Parents/Guardians,

Hope you've all had a lovely couple of weeks since the last newsletter. Valentine's Funday was a big success; it was fabulous to see everyone in their own version of red taking part in a variety of activities of which I'm sure you all saw on the app. We had a lovely send off for Hannah, the cook on Friday 10th Feb. We gathered the children in the hallway and gave Hannah a wonderful presentation. The children all clap and cheer when asked to and listen carefully when staff are talking - we are super proud of them all! Have a great read ..... Mandi

## Who's who here at Nursery - Jade, Team Leader Babies (currently on maternity leave)

Our Jade has worked at the Nursery since 2013, starting as an apprentice working towards her qualifications and then becoming fully qualified. Since then Jade has been promoted to Team Leader. She became temporary Senior Supervisor in 2021/2022 to cover Nicola's maternity as Deputy Manager and has since then followed in Nicola's footsteps on taking maternity leave herself. Jade is now a mum of two beautiful children - a little girl and now a baby boy and we look forward to welcoming Jade back at Nursery this year. Jade is a character, a wonderful character to be around. She's just a bundle of fun (I'm sure for those who know her, you'll agree). Her smile and laugh are infectious. Her enthusiasm in her role as an Early Years Practitioner is second to none. She's a great mentor to new staff. A pat on the back to you Jade!

## RICHARD MEDICAL NOTE:

Richard is a diabetic of 27 years and has a developing condition of neuropathy and arthritis in both of his legs. This then gives an unfortunate impression of influence of alcohol whilst struggling to walk. Due to medication, Richard has abstained from alcohol since Easter 2018. We hope that you fully understand and support Richard during his medical treatment.

"Mr Vernon, Mr Burnon, Mr Burning" as the children love to call him is such an important part to the Nursery and to the team, so thank you to the NHS for all of their hard work in looking after him.

*Invest ... in the best!*
