Dear Parents/Guardians,

The Nursery is thoroughly delighted to announce that Lorraine Rastovan has been successful in filling Nicola's position as Nursery Deputy Manager after her career move to NHS midwifery. I am sure you will join the whole Nursery in congratulating Lorraine with her promotion.

More information with regard to Lorraine's replacement will follow next week. Please be assured that we will make the whole transition a smooth process for the children. Richard A. Vernon

Please may we remind all families that the usage of mobile phones & cameras within the Nursery is not permitted due to safe-guarding policies. Thank you in advance for your co-operation.

EASTER FUN WEEK:

We're really looking forward to Easter fun week next week. Don't forget to take one of the Easter Egg colouring sheets located in the hallway, then bring it back all colourful and decorated so that we can make a wonderful display. We'll also be holding our Easter Bonnet competition (open to all). It's not compulsory, but should you wish to take part, bring in your bonnet so we can show them off in the hallway. The winners will be chosen on Thursday 6th April. Also please don't forget to put your child's name on so we can return to the correct owner.

Who's who here at Nursery - Beth, Level 2 Modern Apprentice

It was a real pleasure to welcome Beth to the Nursery team in June 2022. Right from the start Beth was hands on. Initially starting in the Baby room, bonding immediately with all of the babies Beth has since become a super all-rounder working predominantly downstairs in all three rooms, Babies, Tiddlers and Toddlers. She certainly has a fan club with all of the children. Enjoying arts and crafts Beth encourages the children helping them to do lots of different mark making activities. She is so natural with the children having had plenty of personal experience with her own little sister and lots of younger cousins. It's no wonder the little ones head to Beth for plenty of cuddles! We think you're a superstar Beth!

HOLIDAYS:

If you have any planned holidays this year please could you let us know via the Famly app or e-mail. This helps us to manage staffing arrangements as well as being able to offer the placement to parents wishing to book their child in for extra days or lieu days. We appreciate your support and co-operation.
