Complete Nursery Day Care and Early Years Learning

Dear Parents, well that's January done and dusted. Here's to brighter mornings and lighter evenings. At least it's colourful and bright here in the Nursery as well as laughter, fun, cuddles, joy and much more. We have already had a cosy pyjama day raising money for the wonderful Crackerjack charity for children who have disabilities. Details on how much we raised will follow, thank you so much for your support. If any parents who work in a profession who would like to talk about what you do, please do get in contact with me to arrange a session with the children. It's so lovely to have the parent/nursery engagement time. I've brought my little Cavapoo, Izzy, into Nursery at times for the children to see. She loves it ... as they all give her treats!! Mandi

Diary Dates:-

Feb 13th - Valentines Funday, Wear red
Mar 5th - World Book Day
W/c 30th Mar - Easter Fun week

2026 Leavers:-

Sadly we will be saying good-bye to our older children this year who will be going to big school. It's such a sad time of the year! Please can I just remind all parents that it is a three month notice period for children over the age of 3 years to leave the nursery.

Buzz room classrooms:-

On arrival please buzz your child's classroom buttons. Any problems to this please let the office know so that we can resolve any problems with the system.

Babies have enjoyed messy play, soft play, sand, water, painting, baking. They may be our littlest ones in Nursery but they keep themselves very busy! The Tiddlers have loved playing with the sensory toys, exploring new textures and using the scarves to play peekaboo. Our Toddlers just love being outside!

Outdoor Play:-

We all know that children love being outside and as you all know we have an amazing outdoor provision. We also know that our little ones don't always want to keep their clothing items on! Gloves, hats, scarves are often found in or over the hedges! To help us, please can you label anything that comes into Nursery so that once we find items we can return to the correct owner more easily!

Lost property week:-

Next week we will have a lost property box located inside at the entrance of the Nursery. If you have anything that your child has lost please take a look. After this all lost property will be either kept for spare clothing or sent to charity.

Who to contact:-

Sabrina - Nursery Manager & Safe-guarding Lead
Lorraine - Deputy Manager & DDSL
Mandi - Customer Liaison & Sales
Louise - Finance, Fees, Funding

Juniors have done 'sea creature exploration' in bubbly water in the tuff spot working on their C&L skills identifying creatures they recognised. Our Seniors group are dressing up, creating artwork for their new displays whilst Pre-school continue to do phonics, painting, baking, dancing & MESSY play!!

Invest ... in the best!
