

The Lyme Nursery

Complete Nursery Day Care
and
Early Years Learning

Dear Parents,

..... and we are here already - into the Summer holidays. 6 weeks, what on earth do you do for that length of time? For those of you with school aged children it's time we as parents start to juggle holidays, work and childcare. Thank goodness to our Nursery which is open all year through (apart from Easter, Christmas and Bank Holidays). It's lovely to see older siblings visit us when dropping their brother's or sister's off. For parents and children who've left the Nursery and have no siblings here now, but are available during the summer holidays, please come and visit us - we'd love to see you! Have fun whatever you may be doing. Take care, Mandi

Who's who here at Nursery - Mandi, Sales & Customer Liaison Manager (and Newsletter publisher)

I, Mandi, started at the Nursery just as a parent. The Nursery was recommended to me when my daughter was 1 years old. I loved the homely setting. 4 months later I began maternity cover for Vera the former Finance Manager/Nursery Secretary. 11 years later and I'm still here. My daughter absolutely loved her time at Nursery and is still good friends with some of the children who were in her Nursery group. One of my many roles at Nursery is showing new parents around. It's such a wonderful experience; the staff, the atmosphere, the building and the garden make it such a proud part of my job. I always say "I can highly recommend the Nursery as an employee, but most of all, I recommend it as a mum". I absolutely love coming to work; who wouldn't when you're met with over 40 children each day who just want a cuddle. I see happiness and hear laughter. Thank you Nursery x

DIARY DATES:

Tue 15th Aug - Summer Funday
(For Tue children only.) Let's enjoy this day pretending we're at the beach. We'll have fish and chips, ice-cream, sand and water play plus face painting!

Mon 28th Aug - Bank Holiday closed.

SPORTS DAY FUN:

Sports Day on 26th July was so much fun. We set out obstacle courses all around the gardens. The children were amazing and all winners. They all went home with a gold medal, certificate and (with parents permission) a packet of Haribo's. The staff even got involved too doing their own running race. No-one cheated at all ... Jade!

WHO NEEDS 'PETS AT HOME' WHEN YOU HAVE 'PETS AT NURSERY?':

Thank you to Isla and Harriet's grandparents for bringing Rocky the tortoise into Nursery and Mandi for bringing her Cavapoo Izzy. Please get in touch with us if you have a pet to bring in!
