

The Lyme Nursery

Complete Nursery Day Care
and
Early Years Learning

Dear Parents, It's been just over a month since our last newsletter as we've been so busy with lots of new starters, room moves for children, room moves for staff and plenty of tours for next year. Already we have over 30 new starters for next year, 2026, and have now started a 2027 new starter list. If you know of any families who want a Nursery place make them aware to **book book book** as soon as possible! Happy newsletter reading, Mandi

Breast Cancer Charity Awareness Wed 22nd / Thur 23rd / Fri 24th October 2025

We'll be having an awareness week for a charity so much close to our hearts on the above dates. Children and staff are invited to dress in pink and we'll be having a week of pink activities, pink messy play, pink arts and crafts and lots of BAKING to sell to parents at the end of the day. If any parents would like to purchase cakes to sell or even bake cakes/biscuits to sell you are more than welcome to. For any homemade produce, please can we ask that you provide an ingredients list so that we can ensure all allergy and dietary requirements are being made aware of. We'll also be having a raffle to win lots of lovely prizes. There will be a charity box in the hallway for all kindly received donations. We will of course update you on what has been raised as well as sending you pictures of all of the activities that the children do throughout the week.

Parents Evening - Thursday 23rd October 2025 - 7pm to 9pm (10 minute slot per child)

We look forward to welcoming all parents to our Parents Evening next Thursday. Please make sure you book your time-slot with your child's group beforehand (all time-slot sheets are located on your child's group door). Refreshments will be provided. It's such a lovely atmosphere to be able to chat with your child's key worker, other parents and the management team. Also, just a polite reminder to ask if you could kindly complete the bi-annual Customer Quality of Service Questionnaire using the following link :- <https://forms.cloud.microsoft/r/4gLzZaP8bh> Many thanks.

Birthday Celebrations - Due to new government guidelines on Early Years food requirements, please may we ask that for any Birthday food celebrations, cake must not be provided by parents and a healthy alternative sent in such as fruit platters. We will continue to sing 'Happy Birthday' to all children and have a party day to make the Birthday boy/ girl feel extra special!

Register - On occasions our internet is disrupted or many children arrive at the same time. We do our best to sign children in on the app as soon as they arrive but once in a while it's delayed. We also do have a paper register we sign children in.

Autumn/Winter Clothing - With the colder weather heading towards us and extra layers required on our heads, hands, body and feet, please may we recommend that all clothing is labelled with your child's name. Heading outside we always ensure that hats and gloves are on but we can't guarantee the little ones keep them on and they end up in the maze, on the slide or in the hedge! With up to 60 children and that many pairs of wellies it's fun as you can imagine! Labelled items help us to find and return clothing/footwear to all our families as we understand it's frustrating for you to buy the items and for them to get lost!

Invest ... in the best!
