

## Complete Nursery Day Care and Early Years Learning

Dear Parents/Guardians,

This will be our final fortnightly newsletter of 2022. We do hope that you have enjoyed receiving and reading them since their introduction back in August this year. Please do feel free to comment or make suggestions of any items that you'd like to see in here. We're on full steam ahead with our Christmas activities around the Nursery. Everyone thoroughly enjoyed their Christmas lunch on Wednesday followed by a yummy chocolate log! There were lots of full bellies in the afternoon! Have a lovely weekend. Mandi

### Who's who here at Nursery - Isobel, Team Leader Pre-school

Isobel (AKA 'Belle Belle') started to work at The Lyme Nursery in 2017 after finishing her University degree in Early Childhood Studies, becoming a Level 6 Early Years Practitioner. She commenced her employment in the The Baby room, thoroughly enjoying bonding with the babies as well as making great relationships with parents. Isobel has also worked within the other groups around the house. Her favourite activities are those that are creative and messy (especially if it involves glitter)! Isobel also loves to give out certificates to the children, rewarding them for their hard work, manners, sharing - even eating their vegetables!
