

Crèche and Extra Day Policy

Crèche Facility

The Nursery operates a Crèche facility, which is provided exclusively for our existing customers. Crèche sessions are very popular with parents throughout the year and can help with visits, e.g. to the hairdressers, the gym, medical or trips out shopping.

The Crèche operates on a weekly booking service and parents are welcome either to telephone and book the Crèche facility or make arrangements at child drop-off and collection times with Team Leaders or the Nursery Manager/Person in Charge.

Staff will check room numbers and if they can accommodate the Crèche request, will book the child into our Crèche booking system (kept in the hallway).

Please Note that Crèche sessions cannot be booked more than one week in advance.

Parents can request up to a maximum of 5 hours on any day at the advertised rate per hour (sibling discount of 10% applies).

Customers will be invoiced after the crèche facility has been used. Crèche bills can be settled either by cash or internet transfer

Extra Day Facility

Customers can also request Extra Days. This provision can be booked more than one week in advance, if room numbers allow.

Extra Days are priced at the current Nursery Daily Rate and 10% sibling discount applies when relevant.

Customers will be invoiced for Extra Days after the Extra Day has been taken and can be settled by cash or internet banking.

Customer Notice re Crèche/Extra Day Facilities

There may be occasions when the above extra provision may not be accommodated owing to the lack of space and numbers of children already placed. Staff will make every effort to accommodate your requirement subject to these restrictions.
