

The Lyme Nursery

Complete Nursery Day Care
and
Early Years Learning

Dear Parents,

Well, Summer has been and now it looks like it's almost gone. Hope you've all had a great time though! We have loved hearing all about your holidays and thank you for sending in your pictures so that we can all see what you've been up to. Here's to the next term - Autumn; but let's not think about the nights closing in just yet and pray for an Indian Summer to come along! Fingers crossed the weather forecast is going to be kind! Mandi

2023 GRADUATES:-

We've had to say a very sad farewell to our graduates over the last month. Caring for most of them since babies it's really hard to say good-bye, not just to the children but to parents as well. We build up such a strong bond with both children and families. Please do send us plenty of pictures of your little ones in their new uniform (we print them off for our staff room)! We wish the children all the best in their next adventure. Remember, our door is always open to you if you want to visit any time we'd love to see you!

2023/2024 NEW STARTERS:-

What a fantastic bunch of new starters we have joining Nursery from next week! There have been so many tasters happening, settling in the children. Next we'll start October new children with their settling-in sessions. It's been so lovely to hear that so many of you have had the Nursery recommended to you from family and friends. You know that we'll do our very best to care for your little ones joining our Nursery family life. Please do read our updated comments on our website from our Nursery leavers. We're sure that you'll feel content in knowing that your child will be so happy here.

Who's who here at Nursery - Harriet & Courtney:-

Here's Harriet and Courtney. Harriet was a student here in 2018 working towards her childcare qualification which she completed at college. Having qualified in 2019 she became our qualified summer supply. Harriet then went on to gain her Level 6 degree in primary education becoming a qualified teacher status. She's now joined the team to care for our children (how lucky are we)! Harriet loves to watch the children play and learn!

Courtney recently joined us as a level 2 qualified childcare practitioner and a one-to-one for our SEN children, working with Stephanie our SENCO ensuring the children have the extra encouragement and development they deserve.

DIARY DATES:-

- > Friday 22nd September
Autumn Funday
