

# The Lyme Nursery

*Invest ... in the best!*

I hope this newsletter finds all our lovely families well. We're looking forward to the autumn season and all the festivities that autumn brings. The children have been busy exploring our garden and observing the changes, collecting leaves and displaying their artwork. Please note the dates on our newsletter for our up and coming diary dates. Hello! Meet our Nursery family pets - Rufus the Puppy, Scruffy the Dog and Leo the Lion. Every child will have an opportunity to take home one of the teddies for a week and have the best of adventures! Write in their diary, take some pictures and send them in so we can print off and stick in their booklet.

Let's get cosy!  
Don't forget to bring in a pair of named Nursery slippers to pop on when you arrive. Even the staff have to do this too!

CRECHE—£6.50/ hour. Subject to availability we offer this service. Ring, send us a message via Famly app or e-mail us if you would like to put in a request. It's a maximum of 5 hours per day (plus £3.50 for lunch).

Is your child eligible for funding from January 2023? If your child has turned 3 years of age before this date, check on-line to see if you are entitled to 30 hours free childcare (stretched over the year this is 23 hours per week). Call us if you would like to receive more information. [www.childcarechoices.co.uk](http://www.childcarechoices.co.uk)

It's nearly spooky time: Halloween Halloween w/c 31st Oct. Details to follow. Paolo Loraso Photo's 2nd Nov (non Wednesday customers welcome), keep an eye out for more info on Famly. Parents Evening 2nd Nov (7–9pm) - see below! Remembrance Day 11th Nov (dress in red) and Children in Need 18th Nov (dress in yellow). Then it's Christmas fun!!!

**Parents Evening Wednesday 2nd November** This will be our second time hosting our parents evening inside since Covid, and what a joy it was and will be again. Please do come along and informally meet your child's key worker and the rest of the team to talk about your child's recent Summative Assessment, their progress, development, next steps and more importantly their happiness and what fun they have at Nursery. It's an ideal opportunity to ask any questions that you don't get to do in the morning or at hand over in the evening, or you may wish to take a further look around the nursery in other classrooms, or, you may just want to come along for a rest and a cup-of-tea! We are here for you! Further information will be sent via the Famly app, together with a questionnaire next week.
