

The Lyme Nursery

Complete Nursery Day Care
and
Early Years Learning

Dear Parents, well, as of midnight tonight that will be (as they say in movies and TV) "that's a wrap" for January '25. It was so lovely to see the children run into Nursery on January 2nd; hearing from parents that their child had been asking to go to Nursery over the holidays or just so excited when pulling up outside on their first day back. We've thoroughly enjoyed hearing all about your Christmas and celebrations over the festive period. New children have settled in really well, as well as children who have transitioned to their new classes. We are so proud of you all! We are looking forward to the excitement of 2025, so sit back and enjoy 2025's 1st newsletter. Mandi

Who's who here at Nursery :-Ellie , Nursery Cleaner

The lovely Ellie joined our team in December 2024 as a fundamental part of the Nursery, keeping the house super clean with having 50+ children running around 5 days a week! Having a young daughter of her own Ellie completely understands that glitter, sand, hand-prints, toys and everything else finds itself in all sorts of places! Thank you Ellie so much from all of us. We really do appreciate your hard work and are so pleased you're now part of The Lyme Nursery family. xxx

Diary Dates:-

Feb 14th: Valentines funday
March 6th: World Book Day
April 14th: Easter funweek
May 7th: Paolo Lorasos photo's

Further details of the above will be sent out in due course via the Famly app and notice on the front door.

Government Summer Term funding from April 2025:- Message from Louise our Finance Manager - "funding information has been sent out to all parents who may be eligible for funding from April '25. If you're eligible please can you return the parent declaration form back to Nursery by **FEBRUARY 14TH '25** in order for us to submit applications to the Council. Forms are available to collect from the hallway. Failure to return completed forms will result in no funding being claimed and full Nursery fees will be payable". Louise can be contacted Mon to Thur 9am until 2pm on 01782 616188 or e-mail/Famly app. The Nursery will be contacting customers with April fees reviews over the next 2 weeks.

Here's what our Tiddlers group have been doing during January 2025:-

Creating artwork for their winter display, creating penguins, snowflakes and snowmen. Starting their family wall with pictures of children's families, a celebrations wall and much more! Messy play, outdoor play, singing, stories, baking. Well done Georgia & Sasha for keeping our little ones super busy .

Here's what our Pre-school & Seniors group have been doing during January 2025:-

Outdoor play making 'Silly Soup' in the outdoor kitchens (ask your child about the song), playing 'What time is it Mr Wolf' and (safely) 'Hide and Seek'. They've practised their fine motor skills using children's scissors, talked about people who help to keep us safe, developed their phonics knowledge via self-registration and spelling out their names to name just a few! Seniors have also enjoyed cooking activities making fruit smoothies & healthy pizza bagels. They've learned initial letter name sounds and home learning with numbers/letters. Both groups have enjoyed parachute games, listening and following instructions and doing lots of different and fun challenges! GO TEAM!

Invest ... in the best!
