

Complete Nursery Day Care and Early Years Learning

Dear Parents, final month of the year and final newsletter of 2023 as we'll be closed on Friday 22nd December. Classrooms were decorated on Monday and Tuesday with the hallway finalé on the Wednesday. I'm sure you'd all agree that "It's looking a bit more like Christmas" around the house. The children absolutely love it, although in some rooms the trees have to be a little bit more protected out of excitement - if you get what I mean! "Jingle Bells, Rudolph the Red Nose Reindeer, When Santa Got Stuck up the Chimney" are songs I'm hearing every day. It's a joy to hear. The excitement in the house from children and staff is rising each day. Mr Vernon's winter newsletter with our Christmas Card is now being distributed, we hope you like our 2023 card special version. If you haven't received yours yet, the elves will deliver soon! Mandi.

STAFF UPDATE, Who's who here at Nursery:- Asha and Grace, Modern Apprentices

This month we have welcomed Asha and Grace to the Nursery as our new Modern Apprentices. Asha who already has a distinction in Health and Social Care has now decided to enrol in an Early Years Childcare qualification. Asha's CV wrote "I enjoy being around children watching them grow, develop and succeed. I have younger children in my family and friends with younger siblings and I feel that I would be an asset in a childcare environment. I'm a quick learner, confident and (most importantly) friendly and cheerful". In only a matter of days the children have warmed to Asha so much, she is certainly delivering everything she stated. We all really love her so much already! Keep doing what you're doing Asha, you're amazing!

Grace's last position was an Emotional Support Coach working with children of different social emotional and educational needs, helping them to re-connect into a school setting. Already A Level Health and Social Care qualified, Grace is bringing all of her skills and care to us. She's creative, an active listener, very much approachable and basically in her own words just wants to work in Early Years childcare. We're proud and lucky to have you with us Grace!
