

The Lyme Nursery

Complete Nursery Day Care
and
Early Years Learning

Dear Parents/Carers,

Yet another scorcher of a week! From speaking to parents and families in the hallway, I think we're all feeling the same, we're loving the weather but do we really have to work in it! Why is there not a swimming pool in every work place that we can just dip into to cool off! We're keeping the children cool throughout the day with lots of cold water play and providing ice-pops in an afternoon as a little treat. Once again, thank you for providing sun-cream and hats. We're doing our very best not to misplace the hats. If you could pop your child's name inside that would be much appreciated, although the staff are extremely good at knowing whose is whose. Let the lovely weather continue, we'll all be moaning if it's raining! Enjoy your weekend. Mandi

Who's who here at Nursery: Chelsey, Natasha, Macie Level 2 Modern Apprentices

We welcomed Chelsey to the team in April this year. Chelsey has settled working in our busy baby room giving out lots of cuddles each day. Coming from a large family Chelsey is used to being around young children and classes herself as an 'Entertainer' always wanting to make the children laugh. We love this about you Chelsey!

Tasha also joined us in April. Having 16 nieces and nephews, 2 great nieces and nephews with another on the way we can certainly say that Tasha has experience with children! She has great imagination and loves to tell stories to the children from her mind rather than just reading from a book. This is a good skill Tasha, well done!

Just after Easter Macie started her apprenticeship here having always wanted to work with children since her Nan had always been a childminder. What a good inspiration Nan! Macie enjoys artwork with the children recently making hand-print caterpillar pictures with the Pre-schoolers. They love having you around Macie, keep up the good work!

BUTTERFLY UPDATE!

We have butterflies! Be sure to ask your child/children about them. Both upstairs and downstairs have their Painted Lady butterflies. They have been feeding them fruit and sugar water. Once everyone has had the chance to see them we'll let them free in our garden. Why not ask to see them yourself when you are next at the Nursery!

DIARY DATES:

Thursday 29th June - Teddy Bear's picnic summer party! Bring in your teddy bear and let's all have a picnic and ice-cream! We're sure there will also be some outdoor water play too! Bring spare clothes! For Thursday children only, more details to follow.

RECOMMEND A FRIEND:

From July to end December 2023 we are re-introducing the £50 credit if you recommend a friend or family member. Credit is granted once a place has been booked and the first invoice has been paid.
