

The Lyme Nursery

Invest ... in the best!

Dear Parents/Carers,

Welcome to our fortnightly Friday newsletter describing news and events.

Best wishes, Mandi 23.09.22

'An Invitation'..... to parents or family members to come into the Nursery to 'show and tell' of their profession, culture or hobby to help develop the children's minds, imagination and education. Previous visits included Navy officers and antenatal nurses displaying their professions. Please advise if you wish to take part.

Once again, we'd like to thank you all for being **SO** generous with bringing in an abundance of items for The People's Pantry charity. We are currently awaiting a certificate which will then be displayed on the front door. A big pat on the back to you all!

Did you know that we have Miss Rachel from Wolstanton Dance Academy visit the Nursery every other Thursday for classes with our little Toddlers and Preschoolers. There's Disney music, dancing, singing and SMILES!

Stephanie Aspinall our Nursery SENCO and EYFS co-ordinator has recently set up an intervention room within the Nursery. Here Stephanie can work with children either in smaller groups or on a one-to-one basis. Stephanie currently holds 'Time to Talk' sessions, 'Bucket Time' and other activity sessions relating to children's individual needs/development. If you would like to talk or meet with Stephanie, she would be more than happy to chat with you. E-mail: senco@lymenurseryschool.co.uk
