

The Lyme Nursery

Complete Nursery Day Care
and
Early Years Learning

Dear Parents/Carers,

It doesn't seem five minutes since I was writing 'Happy New Year' to you all in our January newsletter and now here we are in the 6th month of the year. At least the sun is shining though. Thank you to everyone for bringing sun-cream and sun-hats in for the children, it's keeping them all safe when they are playing outside. This morning I showed a couple around the nursery who have just had a baby - seeing all the children playing outside sold it to them I'm sure. They commented on how lovely it was to see them running around, playing in the houses, playing tag, going down the slides, in the sandpit, in the maze and so much more. We just love our garden. Have a great weekend! Mandi

BUTTERFLY UPDATE!:-

They have arrived! We have a pot of caterpillars upstairs for Pre-school and Juniors to share and another pot in the Toddler room for Babies, Tiddlers and Toddlers to share. It's getting a bit more interesting now as the caterpillars have grown so much, they're even getting a little hairy! They're making their way up to the top of the container where they will soon dangle from and then turn into the cocoons. We'll have to leave them for a little bit to harden and then the lid will be removed so that we can pop the lid into a little cardboard box and place it in the mesh habitat.

Who's who here at Nursery - Emma Kitchen Assistant

Emma re-joined the Nursery in January 2017 as Kitchen Assistant having previously worked here a number of years ago. Emma supports the Nursery Cook on a daily basis as well as stepping in to cover the Cook for holidays. It's a demanding job working in the kitchen cooking for 50 (ish) children each day but it's nothing for our Emma as once her shift finishes she's got 5 boys to go home to and look after - even if some are in their teens and twenties! Emma is so lovely and everyone always enjoys a little chat with her when they go into the kitchen. It's like a mother's meeting sometimes, what with Emma, Becky and whoever else might be in their dropping off their dishes! So much laughter comes from the kitchen, we think it should be filmed for a new documentary 'The Lyme Kitchen!' Well done Emma x

DIARY DATES:

With it being Maria's last day next Friday 9th June we will be holding a special funday for her (Friday children only). Hopefully the weather will continue so that we can have afternoon tea in the garden with lots of yummy treats. Maria will make sure everyone gets a good-bye cuddle! x
