

The Lyme Nursery

Complete Nursery Day Care
and
Early Years Learning

Dear Parents,

Apologies for the slight delay in sending out our Newsletter - it's been a rather busy few weeks with half term, holidays, many many tours and enquiries, not to mention Parents Evening. On that subject, thank you to everyone who attended our Parents Evening last month, both existing customers and new parents, we hope you really enjoyed the buzzing atmosphere and gained additional knowledge of your child's development here at Nursery. The questionnaire feedback was amazing with lots of positive and wonderful comments for everything we do here. Mandi

WHO'S WHO HERE AT NURSERY:-

Jane - Nursery Cleaner

It was a pleasure last month to welcome Jane to the team to help keep our Nursery very clean and pristine. Jane has worked in a variety of jobs such as domestic cleaner, shop assistant work, carer, healthcare support worker and is even a fully qualified Nursery practitioner. Already we feel that Jane is a super part of the team. In her own words, she describes herself as energetic, a hard worker and team player. Definitely part of The Lyme Nursery family!

METALWORK ENGINEER REQUIRED

Richard (the Nursery Managing Director) is in need of an engineer to repair the core inside a splined lever on a bath mixer tap. Do any parents know of anybody who could provide assistance or indeed have this as a profession? Any help would be very much appreciated. Please contact the Nursery if so. Thank you in advance.

GOVERNMENT FUNDING

With the new funding currently in place and due to extend in September '24 and '25 the demand for Nursery places is growing. If you're thinking of increasing your Nursery requirements please do get in touch as soon as possible. We already have waiting lists in place for certain rooms and days for 2024 and 2025!

DIARY DATES:-

- > W/c 17th June - Lost Property in the hallway
- > June - Euro football fun month
- > 26th August - Bank Holiday, Nursery closed

KITTENS - FREE TO A FOREVER HOME

Emma, our Nursery assistant cook has 3 very beautiful kittens which she is hoping to find a forever home for. 1 girl, 2 boys, black and white, litter trained, flea and wormed and on solid food are 4 months old and Emma would love to offer them to any of our families. Please message Mandi for more information.

PARENT PARTNERSHIP

If any families wish to share their own professional role with the children, please do get in touch, we'd love to have you in for an educational visit. Also, any friendly pets are more than welcome to come along and meet the children. Please message the office to make a convenient date and time.

Polite reminder that no mobile phones are to be used when inside the Nursery. Thank you.
